Urban Gardeners specializing in Chicago-area-specific landscape challenges.

Anne Roberts Gardens, Inc.

Design, construct, install & maintain

More than just making your neighbors jealous, a beautifully landscaped yard can maximize your outdoor living space and make your home feel like a castle. Having a professional landscaper design your yard is also one of the most cost-effective ways to raise the resale value of your home!

Whatever your reason for choosing professional landscaping, you came to the right place. At Anne Roberts Gardens, we are a full-service landscaping company dedicated to providing homeowners in Chicago's North Side and North Shore with the lawns of their dreams, at prices that won't break the bank. We understand the challenges of Chicago's climate and create beautiful, easy care gardens.

Don't have time enough time to manage it yourself? No problem. We can design a beautiful space that is low maintenance, or we can quote a price that also includes a maintenance plan. So whether you are considering some new plants or a completely renovated landscape, count on Anne Roberts Gardens to create a customized solution tailored to your individual needs and budget.
